device in Kenya, subject to the Pharmacy and Poisons Act, Chapter 244, Laws of Kenya.

General Conditions for Listing of your Food Supplement;

- The Food Supplement must conform to all details provided in your application.
- No changes may be made to the Food Supplement without prior approval from the Pharmacy and Poisons Board (PPB).
- Should there be any reports of the device not performing to the expected quality standards or not to conform to the specifications, then the Food Supplement will be withdrawn from the market forthwith at your own cost.
- Marketing in form of advertisements and promotions to the public must be approved by PPB. Failure to adhere to this directive may lead to the suspension of permission to sell the Food Supplement in Kenyan market.
- Any imports made into Kenya Must fulfil the conditions stipulated in CAP 244.

You are further reminded that your company is responsible for information about the Food Supplements to the public.

Yours,

DR K.C KOSKEL,OGW
